

Shopping Advice!

1. **Make it Quick!** Have an idea/list of what you want to make your shopping quick
2. **Clean hands & Covered Face!** Wear a cloth mask inside market & wash hands before and after the market--sanitizer provided onsite!
3. **Keep your Distance -- 6 ft!** We look forward to a day when the market is a gathering space again, for now, keep socializing to a minimum and give each other space.
4. **Reduce Contact!** To avoid the spread of germs--do not touch anything you haven't bought and let vendors pack your items.
5. **Minimize use of cash!** Use exact change, a check or credit card. Please allow vendors to sign for you or use an "X" to sign.
6. **Don't eat at the market!** Take purchases home to enjoy.
7. **Come alone!** Leave family and dogs (unless medically necessary) at home. Try to limit the number of people in your party as much as possible.
8. **Online pre-ordering!** We will offer preordering of products to get in-and-out quickly with no-contact delivery to people's cars. Visit our website for details.
9. **Go before you arrive!** Our markets will likely not have bathrooms available to customers this year, unfortunately. Be aware of this in getting ready.

Thank you Customers and Vendors -- for your patience and support as we create a safe market experience! **Keep up with the latest updates at farmandartmarket.com**
